5.2 Be responsible stewards of the public's resources.

5.3 Ensure effective and efficient delivery of County services and support.

Summary:

This Resolution will amend Res-05-61 to allow for the selection of the Inspector General or an external auditor for the County Write-Off Process. Additionally, it will require the County Administrator to report approved Write-Offs to the Board of County Commissioners within 90 days of approval instead of the current fixed dates of January 1st and July 1st.

Background Information:

Resolution 05-61 was approved in 2005 to provide for a uniform write-off policy for Pinellas County. The Resolution has served the County well; however, the Office of Management and Budget (OMB) is recommending the suggested edits to allow for the selection of the Inspector General or an external auditor. The Office of Inspector General can provide a neutral third-party audit for write-offs for departments under the Board of County Commissioner.

Additionally, the Office of Management and Budget recommends the adjustment of reporting times from January 1st and July 1st to 90 days following County Administrator Approval of Write-Offs. This will allow for the alignment of the write-off process with the budget approval process. This flexibility will allow OMB to work with departments and the County Administrator in a fiscal year without predetermined submission dates.
