Background/Explanation

The County receives CDBG funds from the U.S. Department of Housing and Urban Development (HUD) under Title 1 of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301 et seq.) to provide housing, public services, community development and other assistance to eligible beneficiaries, in accordance with Part 570 of Title 24 of the Code of Federal Regulations (CFR). The CDBG Program is administered by the HCD Department.

On July 21, 2020, the Board of County Commissioners (Board) executed Resolution 20-69 approving the County's Fiscal Year 2020-2021 (FY21) Action Plan. As part of the Action Plan, the Board approved CDBG funding for the YMCA of the Suncoast Greater Ridgecrest Facility Rehabilitation, specifically for upgrades to and replacement of game field lighting and electrical systems with a LED system. The YMCA of the Suncoast's Greater Ridgecrest Branch provides comprehensive recreational programming and youth development services at the County-owned Omni Center facility for residents of the Greater Ridgecrest Area.

The County received \$2,519,210.00 in CDBG funding for FY21. Funding is to be used to improve neighborhoods, provide decent housing, and create new economic opportunities, with a special focus on serving low- and moderate-income persons. CDBG funds must be expended within six (6) years from the date of HUD's execution of the grant agreement. CDBG funds will be the sole source of funding for payment under this MOU.

The CDBG Notice of Funding Availability (NOFA) and application cycle was advertised in the Tampa Bay Times, The Weekly Challenger, La Gaceta and Tre Magazine, posted on the Community Development website, and emailed to nonprofit agencies and local municipalities.

The competitive application process began on January 13, 2020, with applications being due February 14, 2020. Applications were reviewed for funding eligibility and scored by Community Development Division staff. Funding recommendations are based on staff ranking of eligible activities and eligible expenses.

Fiscal Impact:

The total amount of funding for the upgrades to and replacement of game field lighting and electrical systems with a LED system is not to exceed \$199,000.00. Funding for this Agreement is included in the County's Fiscal Year 2022 (FY22) Adopted Budget for CDBG funds.
