**Recommended Action:**  
Following a public hearing, adopt resolutions approving the final millage rates and budgets for Fiscal Year 2023.

**Strategic Plan:**  
Deliver First Class Services to the Public and Our Customers  
5.1 Maximize partner relationships and public outreach  
5.2 Be responsible stewards of the public’s resources

**Summary:**

At this hearing, the Board of County Commissioners (Board) will consider adoption of resolutions that approve final millage rates and budgets for the various entities for which the Board is the taxing authority. The order of business and content of this Public Hearing on the Fiscal Year (FY) 2023 Budget are mandated by Florida Statutes.

**Background Information:**

On July 19, 2022, the County Administrator delivered the FY23 Proposed (Tentative) Budget to the Board. The proposed ad valorem millage rates were then certified to the Property Appraiser on August 2, 2022, for inclusion in the Truth in Millage (TRIM) Notices. The TRIM notice sets the tentative millage rates, which are the maximum millage rates. TRIM notices were mailed to all county property taxpayers on August 22, 2022, and also contained the notice of the time and place of the first public hearing held on September 8, 2022.

Notice for the second and final Public Hearing was published in the Tampa Bay Times on September 18, 2022, in accordance with Florida Statutes Section 200.065.

**Fiscal Impact:**

Final approval of the FY23 millage rates and budgets for County-wide, Municipal Services Taxing Units, and other taxing districts is required to comply with Florida Statutes. This will conclude the process of approving appropriations for the fiscal year beginning October 1, 2022.
