The County’s SHIP Affordable Housing Advisory Committee (AHAC), established in 2008, is responsible for reviewing policies, land development regulations, the Comprehensive Plan Policy, and other aspects of the County’s policies and procedures that affect the cost of housing. In addition, the AHAC Committee is responsible for making recommendations to the Board of County Commissioners to encourage affordable housing.

The AHAC Committee reviewed the Report in October and November of 2017. The AHAC Committee approved the Report at a public hearing on November 22, 2017.

In order to be eligible to receive fiscal year 2018-2019 SHIP funding, the Affordable Housing Advisory Committee's Report must be submitted to the Florida Housing Finance Corporation by December 30, 2017.
