Subject:

Award of bid to T B Landmark Construction, Inc. for the subaqueous force main crossing replacement project in Madeira Beach.

Recommended Action:

Award the bid to T B Landmark Construction, Inc. for the subaqueous force main crossing replacement project in Madeira Beach.

Bid no. 156-0192-CP(DF); in the amount of \$1,649,999.00 on the basis of being the lowest responsive, responsible bid meeting specifications; all work is expected to be completed within two hundred ninety four (294) consecutive calendar days. Chairman to sign and Clerk of Court to attest.

Strategic Plan:

Foster Continual Economic Growth and Vitality

4.4 Invest in infrastructure to meet current and future needs

Deliver First Class Services to the Public and Our Customers

5.2 Be responsible stewards of the public’s resources

5.3 Ensure effective and efficient delivery of county services and support

Summary:

The purpose of this project is to replace an existing twenty (20) inch diameter pre-stressed concrete cylinder pipe force main across the inter-coastal waterway in Madeira Beach. Staff has determined that the existing force main poses a significant risk in the event of failure and recommends the line be replaced with the existing force main remaining as a redundant back up.

Background Information:

The force main originates at the Madeira Beach Pump Station (PS-163) and discharges to the South Cross Bayou Water Reclamation Facility. The replacement force main will be constructed with twenty

-four (24) inch diameter high density polyethylene. Work also includes connection to the exiting force main at the pump station site and to the existing force main on American Legion Drive.

Fiscal Impact:

Expenditure not to exceed: \$1,649,999.00

Funding is derived from the Utilities Department Sewer Enterprise fund.

Staff Member Responsible:

Jim Dulaney, Interim Director, Utilities

Joe Lauro, Director, Purchasing

Partners:

Madeira Beach and other beach communities

Pinellas County Schools

Publix
