On January 19, 2022, an updated Notice of Funding Availability (NOFA) and application cycle was advertised in newspaper and posted on the Community Development website and emailed to nonprofit agencies and local municipalities.

The competitive application process began on January 26, 2022, with applications being due February 25, 2022. Applications were reviewed for funding eligibility and scored by Community Development Division staff. Funding recommendations are based on staff ranking of eligible activities and eligible expenses.
