Background/Explanation

In accordance with the adopted Consolidated Plan and Annual Action Plan, it is necessary to enter into a Specific Performance and Land Use Restriction Agreement with qualified agencies to allow for certain activities stated in the Annual Action Plan to be contractually delegated and specify the obligation of the agencies receiving funds in meeting Federal, State and County requirements.

The County received \$2,551,626.00 in CDBG funding for FY22. Funding is to be used to improve neighborhoods, provide decent housing, and create new economic opportunities, with a special focus on serving low- and moderate-income persons.

The CDBG Notice of Funding Availability (NOFA) and application cycle was advertised in the Tampa Bay Times, The Weekly Challenger, La Gaceta and Tre Magazine, posted on the Community Development website, and emailed to nonprofit agencies and local municipalities.

The competitive application process began on February 4, 2021, with applications being due March 5, 2021. Applications were reviewed for funding eligibility and scored by Community Development Division staff. Funding recommendations are based on staff ranking of eligible activities and eligible expenses.

Fiscal Impact:

The total amount of funding for this agreement is not to exceed \$75,900.00 during the term of the Agreement. Funding for this Agreement is included in the County's FY22 Adopted Budget for CDBG funds.
