Bid No. 167-0325-B(LN) in an annual amount of \$1,400,000.00 for a sixty (60) month total of \$7,000,000.00 on the basis of being the lowest responsive, responsible bids received meeting specifications.

Strategic Plan:

Deliver First Class Services to the Public and Our Customers

5.2 Be responsible stewards of the public's resources

Summary:

This contract provides for the repair and/or replacement of various heavy duty industrial pumps critical to County water and wastewater system operations. Specific firms are designated by original equipment manufacturers as certified to repair their pumps; the award to multiple vendors is necessitated due to the required certifications of pump manufacturers.

This sixty (60) month contract has provision for one (1) price adjustment at thirty-six (36) months after award based on the Consumer Price Index, All Urban Consumers.

Background Information:

On May 4, 2017, the Purchasing Department, on behalf of the Utilities and Solid Waste Departments, released an invitation to bid with the intent to establish a contract for pumps, pump parts and pump repair services. This contract replaces a current contract that will terminate on July 5, 2017.

Fiscal Impact:

Estimated sixty (60) month expenditure not to exceed: \$7,000,000.00

Funding is derived from the Utilities and Solid Waste Departments Operating budgets.
