2.5 Enhance pedestrian and bicycle safety

Foster Continual Economic Growth and Vitality

4.4 Invest in infrastructure to meet current and future needs

4.5 Provide safe and effective transportation systems to support the efficient flow of motorists, commerce, and regional connectivity

Summary:

Approval of this resolution dedicates a portion of County owned property as public road right-of-way for construction of the subject project.

Background Information:

During design of this project, it was determined that a portion of County owned property at the northwest corner of Whitney Road and Oak Street is required to be declared as public right-of-way in preparation of future construction activities.

The right-of-way (ROW) is necessary to construct roadway curb return and sidewalk, realign Whitney Road and provide line of sight for westbound Whitney Road traffic. The ROW requirements on the County owned parcel has been determined. Dedication of the ROW will separate the required public road ROW from the remainder of the County owned parcels.
