

Pinellas County

Staff Report

File #: 16-1551A, Version: 1

Subject:

Resolutions adopting tentative millage rates and budgets for FY 2017 (first public hearing).

Recommended Action:

Following a public hearing, adopt resolutions approving the tentative millage rates and budgets for FY17.

Strategic Plan:

Deliver First Class Services to the Public and Our Customers

5.1 Maximize partner relationships and public outreach

5.2 Be responsible stewards of the public's resources

Summary:

The order of business and content of this first Public Hearing on the FY17 Budget are mandated by Florida Statutes, specifically Florida Statutes (F.S.) Section 200.065. At this hearing, the Board of County Commissioners (Board) is asked to adopt resolutions that approve tentative millage rates and budgets for the various entities for which the Board is the taxing authority.

Adoption of the attached resolutions provides the FY17 Proposed millage rates within the statutory requirements. Final approval of the millage rates and budgets will occur at the final public hearing on September 27, 2016, which must be noticed by prescribed advertisements in a newspaper of general circulation in the community.

Background Information:

On July 19, 2016, the County Administrator delivered the FY17 Proposed (Tentative) Budget to the Board. The proposed ad valorem millage rates were then certified to the Property Appraiser on August 4, 2016 for inclusion in the Truth in Millage (TRIM) Notices. The TRIM notice sets the tentative millage rates, which are the maximum millage rates. These notices, which were mailed to all county property taxpayers on August 22, 2016, also contained the notice of the time and place of this public hearing.

Subsequent to the presentation of the FY17 Proposed budgets by the County Budget Officer in accordance with F.S. Section 129.03, revisions were made to the tentative budgets as directed by the Board along with technical changes required to reflect accounting treatment, updated information, corrections, and organizational changes. A summary of these revisions was distributed to the Board along with revised tentative budget pages. The Summary of Changes to the FY17 Proposed Budget is attached and the changes have been incorporated in the tentative budget resolutions.

Fiscal Impact:

Tentative approval of the FY17 millage rates and budgets for County-wide, Municipal Services Taxing Units, and other taxing districts is required to comply with Florida Statutes.
