Summary:

This Agreement provides funding for legal assistance to eligible residents of the County in the areas of family law, elder law, consumer law, housing law, tax law, and public benefits advocacy.

Gulfcoast Legal retains 75% of the monthly payment amount from the County, and distributes 12.5% each to BALS and CLP in order to reach more residents throughout the County.

Background Information:

Legal Aid Services funding is a required court-related program under Article V of the Florida Constitution. Funding for this Agreement is primarily generated by Court fees, from an additional \$65.00 fee assessed in criminal and traffic cases, with 25% of that fee designated to Legal Aid

services. The additional \$65.00 fee assessment was made possible with the creation of Section 46-32 of the Pinellas County Code of Ordinances.

The County's legal aid support has been consistent with statutorily-defined requirements under Article V. These requirements have established funding levels from the base funding year of 2003, with increases of 1.5% annually.

For the 2020 calendar year, 1636 legal aid services were provided, with Gulfcoast Legal handling 82%, BALS handling 4%, and CLP handling 14%, of those services. The majority of cases were in the areas of Housing, Family Law, Consumer Law, and Individual Rights.

In 2019, Gulfcoast Legal commenced quarterly legal aid coordination meetings with the County, BALS and CLP, to work on aligning and connecting community services and outcomes.

Fiscal Impact:

Funding in an amount not to exceed \$390,900.00 is budgeted based on anticipated court fees estimated at \$228,000.00 and \$162,900 from General funds. Appropriation to support this agreement is consistent with the FY22 Tentative Budget.
