This Agreement will provide funding for program materials at Pinellas Hope emergency shelter, benefitting

approximately 1,200 street homeless individuals.

The Agreement is effective for nine (9) months, from March 27, 2020 to December 31, 2020.

Background/Explanation

In accordance with the adopted Consolidated Plan and Annual Action Plan, it is necessary to enter into a Specific Performance and Land Use Restriction Agreement with qualified agencies to allow for certain activities stated in the Annual Action Plan to be contractually delegated and specify the obligation of the agencies receiving funds in meeting Federal, State and County requirements. A Land Use Restriction Agreement is not applicable to this Agreement.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, was signed providing funds to respond to the growing effects of COVID-19. Pinellas County received \$739,117.00 in ESG-CV funding from the U.S. Department of Housing and Urban Development to be used to prevent, prepare for, and respond to COVID-19.

The ESG-CV Notice of Funding Availability (NOFA) and application cycle was posted on the Community Development website, emailed to nonprofit agencies and local municipalities, and a press release was issued by the Marketing and Communications Department. The press release was also posted on the County's COVID-19 website.

The competitive application process began on May 11, 2020, with applications being due May 22, 2020. Applications were reviewed for funding eligibility and scored by Community Development Division staff. Funding recommendations are based on staff ranking of eligible activities and eligible expenses.

Fiscal Impact:

The total amount of funding for this agreement is not to exceed \$16,000.00 during the term of the Agreement. Funding for this Agreement is included in the County's FY20 Revised Budget and FY21 Proposed Budget for ESG-CV funds.
