The Committee may also perform other duties at the request of the BCC, including but not limited to the creation of best practices for the development of affordable housing and provision of mentoring services to affordable housing partners. The Committee is regulated by Florida Statute 420.9076.

The SHIP Affordable Housing Advisory Committee is composed of nine members. The Committee members include the five active members of the Housing Finance Authority of Pinellas County (HFA) and four members appointed by the BCC.
