Strategic Plan:

Ensure Public Health, Safety, and Welfare

2.1 Provide planning, coordination, prevention, and protective services to ensure a safe and secure community.

2.4 Support programs that seek to prevent and remedy the causes of homelessness and move individuals and families from homelessness to permanent housing.

Summary:

Adoption of the proposed ordinance amendment would add provisions to the Wage Theft /Recovery Ordinance which are substantially similar to the City of St. Petersburg's Wage Theft Ordinance regarding notice to employees of their employer and rate of pay/manner of compensation and requiring employers to post a notice of rights under the ordinance.

Inclusion of these provisions may allow the City of St. Petersburg to repeal their ordinance, leaving one county-wide ordinance in place for enforcement by the Pinellas County Office of Human Rights, obviating the need for any inter-local agreement authorizing the Pinellas County Office of Human Rights to enforce the City of St. Petersburg's Wage Theft Ordinance.

Background Information:

The City of St. Petersburg already had a Wage Theft Ordinance in place when Pinellas County adopted its Wage Theft/Recovery Ordinance. Including the proposed provisions to Pinellas County's ordinance scheme would render our ordinance substantially equivalent to the City of St. Petersburg's Wage Theft Ordinance, which in turn may allow the City of St. Petersburg to repeal their ordinance, leaving one county-wide ordinance in place for enforcement by the Pinellas County Office of Human Rights.

Fiscal Impact:

Recurring General Fund appropriation supporting staffing and special magistrates for the Wage Theft/Recovery Ordinance is included in the FY20 Adopted Budget for the Pinellas County Office of Human Rights. No additional costs are anticipated should the proposed ordinance amendment be adopted, as the Pinellas County Office of Human Rights already administers complaints arising in the City of St. Petersburg.
