

Pinellas County

Staff Report

File #: 21-2067A, Version: 1

Subject:

Road Transfer Interlocal Agreement with the City of St. Petersburg for the transfer and acceptance of specific roadway segment and easements on 62nd Avenue North.

Recommended Action:

Approval of the Road Transfer Interlocal Agreement with the City of St. Petersburg (City) for transfer and acceptance of specific roadway segment and easements on 62nd Avenue North.

- The County is partnering with municipalities to transfer right-of-way and maintenance responsibility for streets within, or partially within, municipal limits
- Agreement transfers operation and maintenance responsibilities of 62nd Avenue North from I-275 to 4th Street from the County to the City.
- Transfer unifies operation and maintenance of the functionally reclassified roadway.
- Transfer includes maintenance responsibilities for stormwater facilities.
- Agreement includes partial funding for joint water quality improvement project along the 62nd Avenue North corridor.

Authorize the Chairman to sign and the Clerk of the Circuit Court to attest the Interlocal Agreement and Exhibit C, and record the Interlocal Agreement with Exhibits A, B and C, separately record Exhibit C (Easement Agreement), and separately record the corresponding right-of-way maps (Mylars), in the official records of the County.

Strategic Plan:

Continual Economic Growth and Vitality

4.5 Provide safe and effective transportation systems to support the efficient flow of motorists, commerce, and regional connectivity

Deliver First Class Services to the Public and Our Customers

5.1 Maximize partner relationships and public outreach

5.2 Be responsible stewards of the public's resources

5.3 Ensure effective and efficient delivery of county services and support

Summary:

This Road Transfer Interlocal Agreement provides for the transfer of jurisdiction and associated maintenance responsibilities, including stormwater facilities, for certain road segments along 62nd Avenue North in the City of St. Petersburg. The specific segment is detailed in Exhibit A to this Agreement. Total length of the segment is 1.71 centerline miles. The Assignment of Easement (Exhibit C) and Fee Simple Property Transfer Location Maps (Exhibit B) are also included in this approval.

This Agreement includes a one-time payment in the amount of \$250,000.00 for a joint water quality stormwater improvement project along 62nd Avenue North.

Background Information:

The Department of Public Works is partnering with municipalities within the County to better define right-of-way maintenance responsibility in areas where jurisdictional boundaries are shared. This Agreement serves to transfer jurisdictional responsibility for designated public road segments that are within, or partially within, the City municipal limits.

The City and County agree that it is in the best interest of the parties that responsibilities associated with operation, maintenance, planning, design and construction of the identified road segments, along with any future improvements thereto, be transferred to the City, as detailed in Exhibit A. The City accepts all legal rights of the roadway segments that are within, and appurtenant to, the right-of-way being transferred.

Fiscal Impact:

The County will make a one-time payment to the City in the amount of \$250,000.00, for the purpose of a joint water quality stormwater improvement project along 62nd Avenue North. The project will be funded by the Local Infrastructure Sales Tax (Penny for Pinellas) and is included in the Capital Improvement Program FY22-FY27 plan : Physical Environment Function; Surface Water Quality Projects Program; Stormwater Quality Program PIV Project - 004296A.
