Summary:

This Road Transfer Interlocal Agreement provides for the transfer of jurisdiction and associated maintenance responsibilities, including stormwater facilities, for certain road segments in the City. The specific segments transferred are detailed in Exhibit A to this Agreement. Total length of the segments transferred to the City is 22.14 centerline miles. Total length of the segments transferred to the County is 5.75 centerline miles. Exhibit D grants a ROW easement to the City on County-owned property along 70th Avenue North in the area of existing roadway and associated drainage facilities.

Background Information:

The Department of Public Works is partnering with County municipalities to better define ROW maintenance responsibility in areas where jurisdictional boundaries are shared. This Road Transfer Interlocal Agreement serves to transfer jurisdictional responsibility for designated public road segments that are within, or partially within, City municipal limits.

The City and County agree that it is in the best interest of the parties that responsibilities associated with operation, maintenance, planning, design and construction of the identified road segments, along with any future improvements, be transferred to the City or County as detailed in Exhibit A. The City or County accepts all legal rights of the roadway segments that are within, and appurtenant to, the ROW being transferred.

Fiscal Impact:

N/A

Any cost associated with the transfers of the road segments to the County would be offset by the road segments transferred to the City.
