4.4 Invest in infrastructure to meet current and future needs

Deliver First Class Services to the Public and Our Customers

5.2 Be responsible stewards of the public's resources

5.3 Ensure effective and efficient delivery of county services and support

Summary:

The purpose of this project is to construct new sidewalk for pedestrian safety, Americans with Disabilities Act (ADA) requirements, and connectivity between residential neighborhoods. In addition, the project includes reconstruction, rehabilitation, and resurfacing (RRR) improvements that include rehabilitating the roadway pavement, sidewalks, curb, ramps, and pedestrian features that meet current design standards and are consistent with the overall plan for Dansville improvements.

Background Information:

This project consists of two segments. The first segment, sponsored by Community Development, proposes to reconstruct the roadway with the addition of new sidewalk and curb along the east side of Pine Street from 130th Street to 134th Street, and is funded by a Community Development Block Grant. The adjacent and second segment of the project will reconstruct the roadway pavement from 134th Street approximately 625 feet north to match the recent paving project at the limits of the City of Largo and is funded by the Penny for Pinellas. Both segments will be constructed jointly.

Fiscal Impact:

Expenditure not to exceed: \$426,957.00

Funding is derived from the Local Infrastructure Sales Tax (Penny for Pinellas): Road Resurfacing and Rehabilitation Program allocation and Community Block Grant.
