Background Information:

An RFP was released on April 14, 2022, resulting in three (3) responsive submittals. Both WestCare and the Center for Rational Living were selected as the highest-ranking firms with negotiations centering around several factors, including approach and cost. The firms in order of ranking are attached on the ranking spreadsheet. The contract has a term of sixty (60) months beginning October 1, 2022.

The Sixth Judicial Circuit (Court) Adult Drug Court (ADC) program originally operated as an eighteen (18) to twenty-four (24) month, Court-supervised comprehensive treatment for non-violent felony offenders participating the ADC program, known as Division N. In 2001, the ADC was expanded to serve otherwise prison-bound defendants (those scoring prison time), known as Division Z. Both Division N and Z are operated by the Sixth Judicial Circuit serving Pinellas County.

The ADC is a voluntary program involving regular court appearances before a Drug Court judge. The Court exists to provide Drug Court participants the opportunity to avoid a prison sentence by becoming productive, drug-free members of the community. The treatment-based approach begins with an eligible defendant receiving a substance abuse assessment administered by a licensed treatment provider. Following the substance abuse evaluation and based upon the result, the licensed and certified assessor will make a treatment recommendation to the Court.

Frequent judicial review hearings enable the Court to closely monitor a participant's progress in treatment and results of frequent random drug testing. Participants report directly to the Drug Court judge at these hearings, and based upon success or setbacks, the Drug Court judge either rewards compliance or sanctions non-compliance.

Fiscal Impact:

The agreement has a term of sixty (60) months.

Estimated annual expenditure is \$1,225,000.00 for a sixty-month total of \$6,125,000.00.

FY23 Budgeted \$715,000.00 to Div N (Westcare)

FY23 Budgeted \$599,930.00 to Div Z (Center for Rational Living) Project number 003909C

Funding for Division Z is derived from State appropriated dollars and Division N is derived from the Human Services General Fund Operating Budget.
