DCF requires that an Annual Employment Screening Affidavit be submitted once prior to contract execution and annually, thereafter. The affidavit asserts that all employees operating under the CJMHSA Grants have been screened in accordance with Florida Statutes Chapter 435.

PERC, WestCare, Public Defender 6th Judicial Circuit and Ready for Life provide client services under these grants and have also completed Employment Screening Affidavits attesting that all CJMHSA Grant employees have been screened in accordance with the requirements set forth in the grants.

Background/Explanation:

DCF's CJMHSA Grant provides funding to counties for initiatives that improve public safety, avert increased justice system spending, and improve accessibility and efficacy of treatment services for people in or at-risk of entering the justice system who have mental illness, substance use disorders, or co-occurring disorders.

The primary goal of the CCRP program is to increase public safety; avert increased justice system spending; and increase access to effective, evidence-based community treatment services and resources for adults with serious mental illness (SMI) or co-occurring substance use disorders (SUD), who are involved in or at risk of becoming involved in the justice system. Funding for CCRP through the CJMHSA Grant began on March 1, 2022 and will conclude on February 28, 2025.

The Board of County Commissioners approved the CCRP grant agreement with DCF and the funding agreements with PERC and WestCare on May 24, 2022.

The primary goal of the RTS program is to divert both low and high-risk youth from arrest, prosecution, or incarceration into diversion, treatment, and community-based support services. Funding for RTS through the CJMHSA Grant began on July 1, 2020 and will conclude on September 30, 2023.

The Board of County Commissioners approved the RTS grant agreement with DCF, the interlocal with the Public Defender, and the Memorandum of Understanding with Ready for Life on June 23, 2020

The Employment Screening Affidavit is required for compliance with Florida Statutes Chapter 435.

On September 13, 2022, the Employment Screening Affidavit for Fiscal Year 2022 was submitted. The affidavit for Fiscal Year 2023 is required to remain in compliance.
