Background Information:

On March 11, 2021, President Biden signed American Rescue Plan (ARP) into law, which provides over \$1.9T in relief to address the continued impact of the COVID-19 pandemic on the economy, public health, State and local governments, individuals, and businesses.

To address the need for homelessness assistance and supportive services, Congress appropriated \$5B in ARP funds, to be administered through the HOME Program, to perform four (4) activities that must primarily benefit qualifying individuals and families who are homeless, at risk of homelessness, or in other vulnerable populations. These activities include: One (1) development and support of affordable housing, two (2) tenant-based rental assistance (TBRA), three (3) provision of supportive services; and four (4) acquisition and development of non-congregate shelter units.

Fiscal Impact:

The County has been awarded HOME-ARP funds totaling \$4,794,571.00. The FY23 Adopted Expenditure Budget includes \$4,474,840.00 and FY22 Adopted Estimate includes the remainder \$239,731.00. The funding is fully available and budgeted in the Community Development Grant Fund within Housing and Community Development Department.
