File #: 21-083D, Version: 1

Subject:

Amendment No. 13 to the Professional Services Agreement with the Florida Department of Environmental Protection and Humiston & Moore Engineers, P.A., for the Honeymoon Island Beach Restoration project.

Recommended Action:

Approval and signature by the Administrative Services Director of Amendment No. 13 to the Professional Services Agreement with the Florida Department of Environmental Protection (FDEP) and Humiston & Moore Engineers, P.A., for the Honeymoon Island Beach Restoration project.

- This action is for a six (6)-month time extension.
- No cost associated with this Amendment.
- This will be the last six (6)-month amendment allowed by the FDEP.

County PID No. 000150A; FDEP Contract No. DC839; Agreement term is now through August 4, 2021.

Strategic Plan:

Practice Superior Environmental Stewardship

3.2 Preserve and manage environmental lands, beaches, parks, and historical assets

3.3 Protect and improve the quality of our water, air, and other natural resources

Deliver First Class Service to the Public and Our Customers

5.2 Be responsible stewards of the public's resources

Summary:

This amendment extends the current agreement through August 4, 2021. Due to contract requirements with the state, a three (3) year time extension cannot be accomplished, and therefore six (6) consecutive six (6) month extensions were required as separate amendments. This amendment the final (6) month time extension.
