5.3 Ensure effective and efficient delivery of County services and support

Summary:

The proposed project on 131st Street North consists of roadway, traffic, pedestrian, and intersection improvements from 82nd Avenue and 86th Avenue North. The proposed improvements are adjacent to both Seminole High School, Seminole Middle School, Bauder Elementary School, and Career Academies of Seminole in Pinellas County, Florida. This project will provide increased multimodal safety to motorists, pedestrians, and bicyclists. In addition to the proposed improvements, the existing water main on 131st Street North will also be removed and reconstructed.

Background Information:

The need for roadway, traffic, and pedestrian improvements on 131st Street North, along with improvements to the intersections of 82nd Avenue North and 86th Avenue North, were identified through analysis of crash data, traffic counts, and completion of a preliminary engineering report.

The proposed improvements are high priority due to the proximity of schools in the area.

Fiscal Impact:

Expenditure not to exceed: \$5,651,295.28

This project is budgeted in the Capital Improvement Program, Transportation Function and Intersection programs: 001023A 131st Street North at 82nd Avenue North and 86th Avenue North Intersection Improvements.
