

Pinellas County

Staff Report

File #: 24-0279A, Version: 1

Subject:

Appointment to the Technical Management Committee.

Recommended Action:

Approval of the appointment of Catherine Eichner to fill the vacant position of Robert Mills on the Technical Management Committee (TMC), as one of the two representatives for the County.

- On January 3, 2023, Robert Mills was promoted to director of the Office of Resiliency and Asset Management Department.
- Section 106.54 of the County Code requires the TMC be composed of 13 members, where the Board of County Commissioners has two appointments.
- This appointment has traditionally been a Solid Waste Department staff member. Catherine Eichner is currently the Infrastructure and Support Services Manager within the Solid Waste Department.
- Catherine Eichner has been employed at Solid Waste since January 2014 and demonstrates a wide breadth of solid waste knowledge including hazardous waste management, waste diversion, reduction, and disposal. She has a thorough understanding of the department's strategic and master plans.

Strategic Plan:

Practice Superior Environmental Stewardship

3.4 Reduce/reuse/recycle resources including energy, water, and solid waste.

Deliver First Class Services to the Public and Our Customers

5.1 Maximize partner relationships and public outreach.

5.2 Be responsible stewards of the public's resources.

5.3 Ensure effective and efficient delivery of county services and support.

Summary:

Appointee approval completes the Board's obligation to fully staff the TMC.

Background Information:

Section 106.54 of the County Code requires the TMC be composed of 13 members, where the Board of County Commissioners (Board) has two appointments.

This appointment has traditionally been a Department of Solid Waste employee.

The current appointee, Robert Mills, a Solid Waste Department staff member and has served on the TMC since January 2021.

Catherine Eichner is currently the Infrastructure and Support Services Manager within the Solid

Waste Department.

Catherine Eichner has been employed at Solid Waste since January 2014 and demonstrates a wide breadth of solid waste knowledge including hazardous waste management, waste diversion, reduction, and disposal. She has a thorough understanding of the department's strategic and master plans. Prior to Pinellas County employment, she was employed in the private sector in the areas of environmental compliance and consulting.
