

Pinellas County

Staff Report

File #: 18-220D, Version: 1

Subject:

Statement of Certification for the U. S. Environmental Protection Agency's request for information.

Recommended Action:

Approval and execution by the County Administrator of the Statement of Certification for the U. S. Environmental Protection Agency's (EPA) request for information regarding NPDES Wastewater Permit No. FLA040436

Strategic Plan:

Practice Superior Environmental Stewardship

3.3 Protect and improve the quality of our water, air, and other natural resources

Deliver First Class Services to the Public and Our Customers

5.2 Be responsible stewards of the public's resources

5.3 Ensure effective and efficient delivery of county services and support

Summary:

The purpose of this Statement of Certification, is to notify the EPA that per the terms specified in their request for information regarding NPDES No. FLA040436, the County is in compliance with federal biosolids requirements.

Background/Explanation:

The EPA received and reviewed the 2016 Annual Biosolids Report for the County's South Cross Bayou Water Reclamation Facility. Additional data is required by the EPA through this Request for Information in order to complete their evaluation of the County's compliance.

Fiscal Impact:

N/A

Delegated Authority:

Authority for the County Administrator to sign this Statement of Certification is granted under Code Section 2-62 (a)(1) and 40 CFR § 122.22 (a)(3).

Staff Member Responsible:

Megan Ross, Interim Director, Utilities

Partners:
