Foster Continual Economic Growth and Vitality

4.4 Invest in infrastructure to meet current and future needs

Deliver First Class Services to the Public and Our Customers

5.2 Be responsible stewards of the public's resources

5.3 Ensure effective and efficient delivery of county services and support

Summary:

The purpose of this SRTS project consists of constructing ADA compliant sidewalks, curb ramps and driveways on both sides of Park Blvd (CR694) from Starkey Road to 66th Street North. A new traffic signal will be constructed at the existing mid-block crossing near the Flea market and 79th Street

North. Additionally, 74th Avenue North (frontage road to Park Blvd) will be modified to provide a drop curb and a six foot (6') sidewalk on the north side of the road.

Background Information:

Public Works Transportation, in conjunction with the Florida Department of Transportation (FDOT) through the Local Agency Program (LAP), identified the need to upgrade the existing sidewalk, driveways and ramps along Park Blvd, to be compliant with the ADA, in response to citizen concerns. The proposed upgrades will reduce potential conflicts for disabled citizens and afford a safer walking experience for the public at large while also encouraging citizens to consider alternative means of transportation.

Fiscal Impact:

Expenditure not to exceed: \$1,517,031.30.

Funding is derived primarily from a LAP federal pass-through grant administered by the FDOT, with partial funding provided by the Penny for Pinellas and Utilities Enterprise Funds.

LAP federal pass-through grant funds	\$1,362,231.30
Penny for Pinellas	\$ 132,500.00
Utilities Enterprise Funds	<u>\$ 22,300.00</u>
Total award amount	\$1,517,031.30
