### **Recommended Action:**

Sitting as the Countywide Planning Authority, adopt an ordinance approving Case No. CW 17-3, a proposal by the City of Pinellas Park to amend the Countywide Plan Map from Residential Low Medium to Public/Semi-Public, regarding 1.4 acres more or less, located north of 66th Avenue North between 38th and 40th Streets North (subthreshold amendment).

### **Strategic Plan:**

4.3 Catalyze redevelopment through planning and regulatory programs

### **Summary:**

Forward Pinellas, in its role as the Pinellas Planning Council, voted 13-0 to recommend approval of the proposal and staff concurs with this recommendation. The Planners Advisory Committee also recommended approval of this case by a vote of 8-0.

### **Background Information:**

This proposed amendment is submitted by the City of Pinellas Park and seeks to amend a property totaling approximately 1.4 acres from RLM (used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre) to P/SP (intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds

established in other plan categories, and which are consistent with the need, character, and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features). This amendment qualifies as a Type A subthreshold amendment because it is less than 10 acres in size and meets the balancing criteria.

The subject property is vacant. The proposed use is overflow parking for the Youth Park located to the south. If approved, this amendment will be consistent with the Pinellas Park Comprehensive Plan.
