Summary:

The Capital Project Funding Agreements with the City, ACM and CMA provide funding for eligible capital projects that have met the criteria defined in the Capital Projects Funding Program Guidelines (Guidelines), including the ability to attract tourists to the County from both national and international markets. As directed by the Tourist Development Council (TDC), the Convention and Visitors Bureau (CVB) and Program consultant, Dennis Long, have negotiated the terms and conditions including the tourism promotional benefits which are outlined in each Exhibit B of each Agreement.

Background Information:

Consistent with the guidelines recommended by the TDC and approved by the Board, on April 25, 2017, under the County Commission Board Reports, the Board directed staff to move forward and negotiate the terms and conditions with a maximum funding amount for the following Projects:

City of Dunedin/Toronto Blue Jays

Clearwater Marine Aquarium

Ruth Eckerd Hall

Countryside Sports Complex

Eddie C. Moore Softball Complex

On May 23, 2017, under the County Commission Board Reports, the Board approved moving the Museum of the American Arts and Crafts Movement forward and authorized staff to negotiate Tourist Development Tax funding up to a ceiling of \$6 million.

The Tourist Development Council is recommending approval of the five agreements brought forward today. Due to the timing of the City of Clearwater's council meeting, staff is requesting the County to sign the agreements for ECM, CSC, and REH prior to the City. The County's final approval is contingent upon approval and signature from the City of Clearwater during its upcoming council meeting. The agreement with the City of Dunedin/Toronto Blue Jays is still in negotiations and will be brought before the Board at a later date.
