Summary:

The purpose of Change Order No. 1 is to convert contracted allowances and owners contingency to unspecified work to allow the County flexibility on specifications, selection, and pricing of these items. The County and Pepper have mutually agreed to a lump sum maintenance of traffic price of \$319,300.00 and a reduction of retainage.

One hundred and forty nine (149) calendar days will also be added to the duration of the Project for Pepper to reach final completion.
