5.2 Be responsible stewards of the public's resources

5.3 Ensure effective and efficient delivery of county services and support

Summary:

This request is to vacate a portion (approximately nine (9) feet) of the twenty (20) foot easement to

allow for expansion of an existing swimming pool and deck.

Background Information:

A site visit to the property was made by County staff to evaluate the proposed swimming pool and deck expansion. Based on the site visit, County staff recommended a desired limit to the proposed expansion. The petitioners' request agrees with this recommendation. Storm water conveyance will be unhindered and existing mature Oak trees will remain.

County departments were queried and have no objection to the vacation request.

Letters of no objection were received from Bright House, Duke Energy, Frontier, Pinellas County Utilities Engineering, Seaside Sanctuary Residents Association, Inc., TECO Electric, TECO Gas and WOW!

The petition was properly advertised in accordance with Florida State Statute 177. Pursuant to the Real Property Division Procedures, notice was mailed by the Clerk of the Court to property owners within two hundred feet of the subject property. The Deputy Clerk will report to the Board any citizen support or opposition.

Fiscal Impact:

\$750.00 has been received for this request.
