Subject:

Second Amendment to the Specific Performance Agreement and Second Amendment to the Land Use Restriction Agreement with WestCare Gulf Coast - Florida, Inc. for CDBG funded facility improvements.

Recommended Action:

Approval and execution by the County Administrator of the Second Amendment to the Specific Performance Agreement (SPA) and Second Amendment to the Land Use Restriction Agreement (LURA) with WestCare Gulf Coast - Florida, Inc. (WestCare) for facility improvements.

- Extending the term of the SPA to March 31, 2019, provides additional time for completion of renovations and improvements at the Davis Bradley Community Involvement Center. Project vendor changes resulted in permitting delays, which delayed the project.
- The SPA provides \$185,365 of Community Development Block Grant (CDBG) funds for facility renovations. Westcare provides services to individuals undergoing residential treatment for mental health and substance abuse disorders.

Strategic Plan:

Ensure Public Health, Safety, and Welfare

2.1 Provide planning, coordination, prevention, and protective services to ensure a safe and secure community

2.2 Be a facilitator, convener, and purchaser of services for those in need

Foster Continual Economic Growth and Vitality

4.2 Invest in communities that need the most

4.6 Support a vibrant community with recreation, arts, and culture to attract residents and visitors

Deliver First Class Services to the Public and Our Customers

5.1 Maximize partner relationships and public outreach

Summary:

The Second Amendment to the Specific Performance Agreement will provide additional time for completion of the elevator repair portion of the project, by extending the term three (3) months from December 31, 2018 to March 31, 2019. The project has been delayed due to a change with one of the contracted vendors, which in turn caused a delay in obtaining the required permits for the project.

This Second Amendment to the Land Use Restriction Agreement will extend the effective date of LURA based on the additional time provided for project completion under the SPA. This Second Amendment to the LURA will extend the effective period of the restriction to March 31, 2031.

Background/Explanation:
