### **Summary:**

Based on direction from the BCC, this Amendment assigns responsibility for future facility capital improvement replacements to the County, beginning 10/01/2019.

### **Background Information:**

The original lease between the County and PHCSA is silent regarding capital improvements. PHCSA is responsible for all repair and maintenance. The MSTU does not provide sufficient revenue to support capital improvement. County funding is necessary to maintain the integrity of the asset for the future.

A First Amendment for roof replacement and/or repairs was entered into in May 2012.

**Fiscal Impact:**

Projected cost is dependent on the identified project. As individual capital improvement projects are identified, funding will be determined using the County's Capital Improvement Program project portfolio management process.
