Case No. Q Z-17-10-19 (Donald E. Hess, Pauline D. Hess, Stephen T. Hess & Michael A. Hess)

Strategic Plan:

4.3 Catalyze redevelopment through planning and regulatory programs

Deliver First Class Services to the Public and our Customers

5.2 Be responsible stewards of the public's resources

Summary:

The subject property is designated Residential Suburban (RS) on the Future Land Use Map and is zoned R-A, Residential Agriculture and R-R, Rural Residential. The amendment area is approximately 4.02 acres and consists of three parcels; the west and east parcels each contain a single-family home and the north parcel is vacant.

The prospective buyers of the subject property wish to develop it as a place of worship. The existing R-A and R-R zoning districts primarily allow single-family residential uses. The requested LI zoning district permits public and semipublic uses including religious facilities. The overlying RS land use allows institutional-type uses provided they occupy fewer than five contiguous acres.

The subject property is adjacent to single family homes on the west, north, and to the south across Tampa Road. A pre-school is located to the east across Riviere Road. Multiple other places of worship are located some distance to the north along both sides of Riviere Road. Importantly, Tampa Road is a designated Scenic/Non-Commercial Corridor. Institutional uses are permitted along such roadways.

Staff is of the opinion that the requested zoning amendment to LI is compatible with the surrounding land uses and development pattern. In addition, the proposal is consistent with the Pinellas County Comprehensive Plan and is appropriate for this location.

Background Information:

The Local Planning Agency (LPA) recommended approval of the request during its October 10, 2019 public hearing based on the following findings (Vote 5-1):

- The request is consistent with the Pinellas County Comprehensive Plan.
- The proposal is compatible with the surrounding land uses and development pattern.

Surrounding property owners within 400 feet of the subject property were notified by mail. A sign advertising the public hearings was also posted on the subject property.
