Subject:

Petition of Frank Liberio to vacate a private drainage easement located across the southwesterly portion of Lot 3 and a portion of the 15-foot-wide private drainage and utility easement located along the westerly boundary of Lot 3 (3620 Shady Lane), Shady Lane, Plat Book 102, Page 6, lying in Section 26-27-15, Pinellas County, Florida. (Quasi-Judicial Hearing)

Recommended Action:

Consider granting the petition to vacate, and if granted, adopt the attached resolution pursuant to §177, Florida State Statutes.

- A portion of the vacation request is part of a larger easement platted by the developer of the Shady Lane Subdivision
- The private drainage and utility easement were platted to allow stormwater runoff for the subdivision.
- Staff is recommending approval of the vacation request contingent upon confirmation that the stormwater requirements for the subject property have been adequately addressed elsewhere on the property. The construction of this re-design shall begin within one and one-half years from the approval of the resolution.
- The vacation of the drainage easement and a portion of the fifteen-foot-wide private drainage and utility easement will allow the petitioner to construct a pool.

Authorize the Clerk of the Court to attest and record the resolution in the public records of Pinellas County.
