5.2 Be responsible stewards of the public's resources

Summary:

The two amendment areas consist of the north 1.4-acres of the subject property designated R-4 and the south 4.2-acres designated C-2 of the overall 39.4-acre parcel containing the Gateway Mobile Home Park community located at 10100 Gandy Boulevard. There are approximately 38 mobile homes located in the 4.2-acres designated C-2 on the zoning map. The 1.4-acre portion designated R-4 on the zoning map is being used as RV and boat storage for the residents of the mobile home park. The remaining 33.8-acres of the subject parcel that is not within these amendment areas is zoned RMH, Residential Mobile/Manufactured Home.

There are no proposed changes to the mobile home park use. The amendments will provide a consistent zoning on the property and recognize the established mobile home park use. The amendments to RMH are also consistent and compatible with the existing Residential Low Medium and Residential Medium land use categories on the property.

The subject property is located within an unincorporated enclave and is completely surrounded by the City of St. Petersburg. The Gandy Boulevard corridor in the general area is primarily residential in nature with some commercial uses right along the road frontage. The site is surrounded by various multifamily developments.

In general, the requested zoning amendments are compatible with the surrounding land uses and development pattern. The proposal is consistent with the Pinellas County Comprehensive Plan and is appropriate for this location.

Background Information:

The Local Planning Agency (LPA) unanimously recommended approval of the request during its January 9, 2020 public hearing (Vote 4-0).

Surrounding property owners within 500 feet of the subject property were notified by mail. A sign advertising the public hearings was posted on the subject property.
