- The Board of County Commissioners (Board) approved Habitat as one of two developers for the redevelopment of the Lealman Heights property at the January 12, 2021 Board meeting.
- The County, as Beneficiary of the Pinellas County Land Assembly Trust - Lealman dated December 4, 2015, directed the HFA, as Trustee of the Trust, to finalize negotiations and enter into a ground lease to convey identified parcels to Habitat.

Summary:

On January 3, 2020, the Purchasing Department released a Request for Negotiation (RFN) (190-0084-RN) for the development of residential property - Lealman Community Redevelopment Area (CRA) to advance one or more County Community Development goals. The Board approved Habitat as one (1) of two (2) developers for the redevelopment of the Lealman Heights property at the January 12, 2021 meeting and directed the HFA to execute a long-term lease agreement with Habitat.

Upon execution of the Land Trust Agreement, the HFA, as Trustee of the Lealman Habitat Land Trust, will enter into a ground lease with Habitat prior to the development of the affordable units.

Background/Explanation:

The properties are in the CRA. The CRA is comprised of a mix of low-medium density, residential development (6.22 du/acre), with commercial uses along the major corridor of 34th Street/US-19, Haines Road and sections of 28th Street and 54th Avenue. Interstate-275 forms the eastern boundary, adjacent to Joe's Creek Greenway Park which begins just east of 28th Street North and 42nd Avenue.

The properties were acquired in February 2016 by the HFA at the direction of the County utilizing funding through the Affordable Housing Land Assembly Fund, a Capital Improvement Program using Penny for Pinellas funds. The objective was to redevelop the properties with a mix of well-designed housing types and tenancies ranging from single-family infill homes to multi-family apartments with the inclusion of affordable units. It was determined that the single-family homes should be placed in a separate ownership Land Trust; therefore, the parcels identified for Habitat will be transferred to the newly formed Lealman Habitat Land Trust.
