Recommended Action:

Ratify, confirm, and enter into the minutes the approval by the County Administrator of the grant application for an additional \$3.8 million grant from the U.S. Economic Development Administration to fund a portion of the design, construction, and equipping of an approximate 45,000-square-foot purpose built, state-of-the-art facility to house the Tampa Bay Innovation Center incubator.

- The total U.S. Economic Development Administrator Grant project has risen to \$15,874,343.00 from \$12,000,000.00 due to rising construction costs.
- The County requested an additional \$3,800,000.00 grant to help offset the majority of this overrun.

Strategic Plan:

Foster Continual Economic Growth and Vitality:

- 4.1 Proactively attract and retain businesses with targeted jobs to the county and region
- 4.2 Invest in communities that need the most
- 4.4 Invest in infrastructure to meet current and future needs
