Summary:

The Tourism Promotion Agreement is for the 29th Annual Spring King of the Beach fishing tournament to be held April 28-30, 2022, in Madeira Beach. This will be the fourth year this event has received funding through the Elite Event Program.

Background/Explanation:

On July 13, 2021, the Board of County Commissioners (Board) approved the recommendations of the Tourist Development Council to fund 18, FY22 Elite Events for a maximum (or "up to") total funding level of \$1M and to allow staff to negotiate the terms and final funding amount of each agreement for increased tourism promotional benefits. This was later amended on October 12, 2021,

when the Board approved moving BikeFest to category 2 and increased the maximum funding to \$1,050,000.00. In order to receive Elite Event funding, these high-profile events must meet minimum criteria for room night generation, and/or attendance, as well as media and/or marketing exposure for the County.

This will be the fourth year the Spring King of the Beach fishing tournament has received funding through the Elite Event Program. According to Destination Analysts, Inc. (DA), the CVB's research firm, the economic impact from the 2021 Spring King of the Beach was \$4.4 million. DA provides a consistent and comparative research analysis on the impact of all Elite Events and reports visitor volume, room nights, economic impact, and which event yielded the highest return on investment.

In accordance with the Elite Event Funding Program Guidelines, funding for this event has been allocated between marketing and advertising expenditures and sponsorship benefits, which are detailed in Exhibits A and B of the agreement. Funding for this event will be paid on a post event basis upon receipt of a written report and supporting documentation.

Fiscal Impact:

Total Expenditure: \$25,000.00

Funding to support Elite Events is provided through the CVB's Annual Operating Budget. The source of funding is the Tourist Development Tax Fund.
