Summary:

Heritage Oaks is the first phase of redevelopment of the Rainbow Village public housing community. Heritage Oaks was awarded 9.0% tax credits in early 2022 but has since reported significant construction cost increases as well as interest rate hikes. As part of the Tax Credit award, the County committed LGAO funding in the amount of \$610,000 as described in Granicus 21-1499A. The developer is requesting an additional \$2.75M due to construction cost increases totaling 3.65M.

Background Information:

Heritage Oaks will consist of 80 newly constructed senior affordable units to be contained in a single three (3)-story elevator equipped building. This project will replace 48 existing units on the Rainbow Village Apartments site, which includes demolition of approximately 24 buildings that have substantial deferred maintenance and are functionally obsolete. The new building will consist of 74 one (1)-bedroom and six (6) two (2)-bedroom units. The County previously committed LGAO funds in the amount of \$610,000 to Heritage Oaks, which will be used for hard construction costs. The additional \$2.75M request from the County will help offset the increased construction costs.

Fiscal Impact:

Total maximum expenditure: \$3.36M.

The funding source will be a combination of affordable housing funds including, \$1M Community Development Block Grant funding (CDBG), \$1.5M HOME, and \$860,000 State Housing Initiatives Program (SHIP).

This funding is consistent with the FY24 Budget Development and is included in FY24 Requested Budget for Housing and Community Development Department within the respectable Federal and State Funds.
