### Subject:

Affordable Housing Funding Agreements with Blue Pinellas 2, LLC for affordable rental housing-Skyway Lofts 2 Apartments.

### Recommended Action:

Approval and execution by the County Administrator of an Agency Agreement, Mortgage, Promissory Note, Land Use Restriction, and Subordination Agreement with Blue Pinellas 2, LLC for an affordable housing project known as Skyway Lofts 2 Apartments.

- The new construction project will include 66 workforce housing units. All units will be restricted for households at or below 80.0% Area Median Income (AMI).
- The project was approved by the Board of County Commissioners (Board) on May 9, 2023 (Granicus Item #23-0308A), for \$3.4M of Penny IV funding to develop the multi-family affordable housing project.
- County funding is for both land acquisition (\$2.0M) and construction costs (\$1.4M). The land has been purchased by the County and placed in a Land Trust with the Housing Finance Authority (HFA) as Trustee, making the project permanently affordable.
- The Land Use Restriction Agreement (LURA) associated with Penny construction funding will restrict twenty units for households at or below 80% AMI for a 30-year affordability period, exceeding program minimum requirements.
- HFA tax-exempt bond requirements will restrict all units for households at or below 80% of AMI for 50 years.
- The total development cost is estimated to be \$22,998,407.00 with the balance of the funding coming from the Housing Finance Authority, City of St. Petersburg, and developer equity.

- The project is located at 3800 34<sup>th</sup> Street South, St. Petersburg, Florida 33711.
- Since the amount has not changed or increased, funding is available in FY24 for this agreement in the Penny IV Affordable Housing Program (project 004150A).
