The design and construction documents will be completed to a point where a lump sum price for Phase Two (2) will be developed and brought before the Board of County Commissioners for consideration. Phase Two (2), is the construction phase and is expected to begin during April 2019 and is estimated to be completed in sixteen (16) months.

The contract includes fully burdened negotiated hourly rates including all labor, direct/indirect overhead margins/profits, and travel within the Tampa Bay Metropolitan Statistical Area (TBMSA). Travel outside of the TBMSA will be reimbursed in accordance with Section 112.061, Florida Statutes.
