Summary:

Pinellas Preparatory Academy, Inc. (Borrower) has requested the issuance of a not-to-exceed \$10,300,000.00 Pinellas County Educational Facilities Authority (EFA) Revenue and Refunding Bonds for the purpose of (i) financing the construction of the enclosure of a gymnasium and/or other qualifying educational facilities; (ii) refinancing the Authority's Refunded Bonds, and (iii) paying certain costs of issuance.

Borrower operates two charter schools known as the "Pinellas Primary Academy" (kindergarten through fourth grades) and the "Pinellas Preparatory Academy" (fourth through eighth grades) both of which are on the Borrower's campus located in Largo, Florida.

The EFA gave its preliminary approval of the issuance of the bond on April 18, 2019.

Background Information:

Providing for this financing will allow the EFA to issue the debt on behalf of the Borrower to finance the facility improvements and re-finance existing EFA bonds with taxable debt, which will then be converted to tax-exempt debt at the time the original EFA bonds are called.

Fiscal Impact:

No fiscal impact on the County. Borrower is responsible for payment of all fees and expenses.
