Background/Explanation:

Social Action Grants are available to qualified non-profit social service organizations desiring to provide services to homeless and low-income residents of Pinellas County to address their health, economic and social well-being. Pinellas County Human Services administered a competitive, online application process for Social Action Funding through Neighborly Software. The grant solicitation was posted on April 1, 2022, and a standard application form was used to promote effective review and scoring. The County funding priorities for Social Action Grants are food/nutritional services, homeless
