

Pinellas County

Staff Report

File #: 25-0989A, Version: 1

Subject:

Resolution dedicating a portion of County-owned West Klosterman Preserve as public right-of-way.

Recommended Action:

Adopt a resolution dedicating a portion of County-owned property known as West Klosterman Preserve as public right-of-way (ROW) for West Klosterman Road.

- The property was purchased by the County on April 8, 2025 as an addition to the Mariners Point Management Area.
- The property has existing sidewalk and roadway improvements on West Klosterman Road, which are being used by the general public.
- Segment to be dedicated as ROW will provide seamless connection to the adjoining ROW to the east and west.
- This resolution has no fiscal impact to Pinellas County.

Strategic Priorities:

Resilient Infrastructure and Environment

1.1 Improve traffic flow efficiency

1.2 Maintain and enhance County infrastructure

Summary:

Approval of the resolution is necessary to dedicate existing sidewalk and roadway on West Klosterman Road as public ROW, to provide a continuous connection to the adjoining ROW.

Background Information:

The County purchased the West Klosterman Preserve on April 8, 2025 from the Pinellas County School Board as an addition to the Mariners Point Management Area. A southern portion of the property contains existing sidewalk and roadway infrastructure along West Klosterman Road. In an effort to make the County-owned property contiguous with the adjoining ROW to the east and west, it is recommended that such portion be dedicated as public ROW.

Fiscal Impact:

N/A
