

Pinellas County

Staff Report

File #: 25-1792A, Version: 1

Subject:

First Amendment to the Purchase Authorization with Insituform Technologies, LLC for Rehabilitation Services for Sanitary Sewer Mains and Stormwater Mains.

Recommended Action:

Approval of the First Amendment to the Purchase Authorization with Insituform Technologies, LLC for Rehabilitation Services for Sanitary Sewer Mains and Stormwater Mains.

- The piggyback agreement utilizes Contract 2506ITB between the City of Daytona Beach and Insituform Technologies, LLC for rehabilitation services for Sanitary Sewer Gravity Mains and Oval and Round Stormwater Mains.
- The piggyback agreement provides a mechanism to continue pipe rehabilitation while County staff solicit and finalize a new County agreement.
- This piggyback agreement was approved by the County Administrator on September 4, 2025, for a not-to-exceed amount of \$250,000.00.
- The first amendment increases the expenditure cap in the amount of \$2,000,000.00 to the current not to exceed amount, for a revised total contract amount of \$2,250,000.00.
- Additionally, this first amendment increases the minimum bonding capacity to \$2,250,000.00.
- Funding for this agreement is budgeted in the Adopted Fiscal Year (FY) 2026-FY31 Capital Improvement Program, under Storm Sewer Pipeline Rehabilitation and Cured-In-Place Pipe project (002064A), funded by Local Infrastructure Sales Surtax (Penny for Pinellas), and Surface Water Pipe Lining/Remove & Replace project (002625A), funded by the Surface Water Utility Fee.

Contract No. 25-0597-PB increase in the amount of \$2,000,000.00 for a revised total contract amount of \$2,250,000.00; estimated annual average expenditure of \$871,000.00, effective through April 2, 2028; Authorize the Chairman to sign and Clerk of the Circuit Court to attest.

Strategic Priorities:

Resilient Infrastructure and Environment

1.2 Maintain and enhance County infrastructure

Healthy and Safe Communities

2.2 Enhance community safety

Smart Service Delivery

4.4 Pursue continuous improvement

Summary:

This first amendment provides a mechanism to continue pipe rehabilitation utilizing the City of

Daytona's contract with Insituform Technologies, LLC while County staff re-bid and finalize a new County agreement.

Background Information:

The Surface Water Assessment provides funding specifically for the lining or replacement of corrugated metal pipes (CMP) within the unincorporated Pinellas County. The county has approximately 6 miles of CMP that are programmed for lining or replacement. This will allow for a continuation of services in the interim while a new contract is re-bid and awarded. In an additional effort to continue services while a new contract is awarded, approval of this first amendment is requested.

Fiscal Impact:

Approved Expenditure not-to-exceed:	\$ 250,000.00
First Amendment not-to-exceed:	<u>\$2,000,000.00</u>
Revised Contract Expenditure not-to-exceed:	<u>\$2,250,000.00</u>

Funding for this agreement is budgeted in the Adopted FY26-FY31 Capital Improvement Program, under Storm Sewer Pipeline Rehabilitation and CIPP project (002064A), funded by Local Infrastructure Sales Surtax (Penny for Pinellas), and Surface Water Pipe Lining/Remove & Replace project (002625A), funded by the Surface Water Utility Fee.
